Advancing Transfusion and
Cellular Therapies Worldwide

April 25, 2017

Robert Bever, PhD
The Bode Technology Group, Inc.
10430 Furnace Road
Suite 107
Lorton, VA 22079-0000

Dear Dr. Robert Bever:

It is a pleasure to acknowledge formal accreditation of your facility by AABB. Your quality and operational systems have been assessed and determined to meet or exceed the rigorous requirements set by the association. Specifically, accreditation is extended to your facility for the performance of the following activities as assessed under the 12th edition of the *Standards for Relationship Testing Laboratories*:

Relationship Testing Activities

This letter of accreditation and the enclosed certificate are your official record of this action. We hope you will display this award in a prominent place as evidence of your commitment to attaining the highest standards of quality. Your accreditation will expire on March 31, 2019.

The enclosed accreditation kit contains marketing materials such as logos, decals, and a sample press release. We hope the accreditation kit will be helpful to you in communicating the importance of AABB accreditation to your peers and the community you serve.

Please extend my most sincere congratulations to your staff and your governing board.

Sincerely,

A handwritten signature in black ink, appearing to read 'Zbigniew M. Szczepiorowski'.

Zbigniew M. Szczepiorowski, MD, PHD, FACP
AABB President
