

Bode Technology is Hiring

Backed by 27 years of history rich in innovation, Bode Technology is a long-time leader and pioneer in the forensic scientific community. We hire talented, committed and driven people and strive to create a work environment that focuses on long-term success.

Mission and Values:

At Bode, our mission is to make a positive contribution to society by using science responsibly and ethically to help create a safer and more secure world. We also strive to advance the cause of justice through the use of technologically advanced products and services. As a market leader, our goal is to become a trusted and respected resource in providing sophisticated DNA identification to law enforcement agencies, federal and state governments, crime laboratories and disaster management organizations around the world.

Bode is recruiting at the AAFS conference. You can find us at:

- ✓ Bode Booth #201
- ✓ AAFS Career Fair on Tuesday, February 22nd from 6-8 pm
- ✓ Bode will be available for in-person interviews for qualified candidates on Wednesday, February 23rd
