ANSWERS WITH CONFIDENCE AND ACCURACY
19th Annual Forensic DNA Conference – Bode 2020

October 26-27, 2020

The Conference is Presented During Eastern Daylight Time (EDT)
All Presentations Will be Recorded for On Demand Viewing

Click Here to Register

Unique and Interactive Program
Bode has worked hard to create an environment that allows our attendees, speakers and sponsors to engage and share ideas.

Live Question and Answer Sessions
All presentation sessions are 1-hour with an estimated 45 minutes of presentation content, followed by a moderated question and answer session. All content will be available on demand after the conference.

Continue the Conversation
Upon the completion of each talk, our presenters and attendees will be encouraged to visit the Networking Lounge and/or the Exhibit Hall to continue the discussion.
### Monday, October 26, 2020

**General Session: Auditorium**

**BYOB with Exhibitors (Bring Your Own Breakfast)**

8:00am – 8:30am

#### 8:30am – 9:30am

**KEYNOTE SESSION:**

*Celebrating Milestones and Achievements in Forensics*

**FEATURED PRESENTER:** Debbie Smith, **H-E-A-R** (Hope Exists After Rape Trauma)

Additional Presenters and Panelists:
- Thomas J. Bode, Founder, Bode Technology
- Cecelia Crouse, Crime Laboratory Director, Palm Beach Sheriff’s Office (retired)
- Mike Cariola, President and CEO, Bode Technology

This presentation will feature talks from all the panelists discussing the impact and challenges related to forensic DNA testing over the past 25 years, followed by a moderated question and answer session.

#### 9:30am – 10:00am Networking Break

Sponsored by Bode Technology

#### 10:00am – 11:00am

"Zombie Murder Hornet Invasion": Forensic Laboratory Emergency Preparedness After 2020.

*Dr. Peter Stout, President & CEO, Houston Forensic Science Center*

#### 11:00am – 11:30am Networking Break

Sponsored by Promega

#### 11:30am – 12:30pm

DNA Legislative Updates and SAKI: Supporting an Improved Response to Sexual Assault and Violent Crime

*Lisa Hurst, Senior Consultant, Gordon, Thomas, Honeywell*

*Dr. Patricia Melton, Research Forensic Scientist, Co-Director SAKI TTA, RTI International*

#### 12:30pm – 1:00pm Networking Break

Sponsored by STACS DNA

#### 12:30pm – 1:00pm Networking Break
Sponsored by Leeds Forensic Systems

#### 1:00pm – 2:00pm

**NicheVision Workshop**

**The Perfect Complements to STRmix: FaSTR and DBLR STRmix™**
Zane Kerr, Senior Scientist, ESR

**Calculating Match Statistics for Sequence-Based Profiles from Forensic PCR-MPS Kits**
Brian Young PhD, Chief Scientist, NicheVision Forensics, LLC

**1:00pm – 2:00pm**

**Rapid DNA & Local DNA Databases: Building a Case**

*Sergeant Thomas A Orzechowski, New Castle County Police Department, Criminal Investigation Unit EDU/DNA*

**Detective Eric Christopher, New Castle County Police Department, DE**

### 2:00pm – 2:30pm Networking Break
Sponsored by NicheVision Forensics

#### 2:30pm – 3:30pm

**Thermo Fisher Scientific Workshop**

- **Rapid DNA: Forging Partnerships**
  *Mark Smith, Supervising Forensic Scientist, Arizona Department of Public Safety*

- **Rapid DNA Use in a Helicopter Crash Disaster Victim Identification**
  *Stephanie Regan, Crime Scene and Laboratory Supervisor, Kaua’i Police Department*

- **Maintaining Productive Momentum in Rapidly Evolving DNA Lab**
  *Dave Jackson, DNA Technical Leader, Washoe County Sheriff’s Office*

- **New Tools that Improve Efficiency and Save Time: 3500 and SeqStudio Data Collection Tools**
  *Jaime Brachold, Sr. Technical Applications Scientist, Thermo Fisher Scientific*

**2:30pm – 3:30pm**

**Forensic Genealogy – Solving Serial Sexual Assaults using SAKI Funds**

*Kristin Sasinoski, Deputy Director of Forensic Biology and DNA, Assistant Technical Leader, Connecticut Division of Scientific Services*

**Detective Thomas Van Tasel, Vernon Police Department, CT**

**Forensic Genetic Genealogy: Practical Considerations to Improve GEDmatch Outcomes**

*Swathi A. Kumar, PhD, Director, Product and Program Management, Verogen*
